III- Other Matters:

1. Reply of Dr. Gilbert C. Vilela through Routing Slip No.102.20, re: 1 Lot Cardiac Monitoring Telemetry System. On October 20, 2020, BAC wrote Dr. Vilela requesting for his opinion/input regarding the importance and implication of cuff sizes and arm circumference of BP cuff of the above-cited Project.
 - Initial post-qualification report was presented by the Technical Working Group (TWG) to the BAC. They also voted, if the cuff sizes and arm circumference of the bidder with the lowest calculated bid, Technomed International, Inc. is complying or not: The result was as follows:
 1. Dr. Peter San Diego - Yes
 2. Dr. Antonio D. Pascual- No
 3. Agnes Balid- No
 4. Agnes Grande- No
 5. Rex Garde - No

The Chairperson, Ms. Velasco instructed the Secretariat to compile all the recommendations from the End-users, BIOMED representative and the comments of Dr. Gilbert Vilela. She will also ask the opinion of our legal counsel, Atty. Liza Manalang on this matter.

2. TWG- Determination of the Lowest Calculated Bidder for the Project, re: 25 units Patient Monitor.
